HBS

Management Consultants

Job

Support programmes designed to meet individual needs and corporate objectives

- Outplacement
- Job search
- Self marketing
- Interview skills
- New job strategies

"Whilst initially dubious, having utilised similar services before, my doubts were erased during the first meeting with HBS. It was very much the case of 'What can we do for you? Where do you want to go?'"

IT Project Manager - Financial Services

Career

From audit to exit - career evaluation and decision support

- Key business and personal goals
- Personal and transferable skills audit
- Psychometric profiling
- Values, wants, needs
- Career options

"Making important career choices can be some of the most agonising decisions you have to face in life (besides marriage perhaps!). HBS helped me to clarify my thoughts and understand my aspirations and motivations. The advice and support was always constructive, informed and helpful without being biased"

VP Strategy & Development - Energy Sector

Assistance

Issues identified and causes explored

- One-to-one coaching
- Personal impact
- Conflict resolution and stress management
- Managing difficult situations
- Work/life balance, options counselling, exit strategies

"I had been at the company for 15 years. My career had reached a crossroads. I was becoming disillusioned and unhappy and lacked clear vision for the future. During my sessions with HBS, I was able to unravel myself and then establish what I was capable of doing and how to do it. As well as boosting my confidence, I began to believe in myself once again. Finally, I went for it and have never looked back"
